## THE PRESIDENT'S CORNER

Dear Neighbors,  
I'm excited to remind everyone about our upcoming neighborhood garage sale!  
This event is a wonderful opportunity not only to declutter our homes but also to foster camaraderie among us. It's a chance to meet new faces, catch up with old friends, and celebrate the vibrant community we share. Let's come together, support one another, and enjoy a day filled with great finds and friendly conversation.  
Happy selling!

This event started as **National Breast Cancer Awareness Month (NBCAM)** in October of 1985. This was a partnership between the American Cancer Society and the pharmaceutical division of Imperial Chemical Industries to promote mammograms as the most effective tool to fight breast cancer.

## Editor's note....

Fall brings change! Change in colors, in temperature, in landscape...here's wishing blessings on all the beautiful changes in and around our Poquito Bayou and surrounding communities!

- **PBCA** provides a platform to connect with neighbors, local businesses, and other community members, which can be beneficial for personal and professional networking.
  
- We frequently offer social events, activities, and other gatherings, which can help build relationships and feel more connected to your community.
  
- Being part of a community association can give you a voice in local decisions and initiatives. You might have a say in how community resources are allocated or in the planning of local events and improvements.
  
- Emergency Situations. PBCA has in past had a local Community Emergency Response Team (CERT). We’re trying to re-establish. Very much in need in times such as hurricane recovery. Maybe you can help restore our CERT?

## Quilt of Valor (QOV) Ceremony

Last year we had a Quilt of Valor ceremony for a handful of Veterans during our annual Veterans Day ceremony. It was an awesome ceremony. Some of the veterans who received a quilt had tears in their eyes. For this upcoming Veterans' Day Ceremony on November 11<sup>th</sup> at 4pm near the monument, we will host another QOV ceremony. We need Veteran's, to either nominate themselves or have loved ones or friends to nominate a Veteran.

You're probably wondering what is a Quilt of Valor?

A Quilt of Valor (QOV) is a quality, handmade quilt that is machine or hand quilted. It is awarded to a Service Member or Veteran who has been touched by war. The Quilt says unequivocally, "Thank you for your service and sacrifice in serving our nation."

How do I get a QOV or get one for a family member? You nominate a Service Member or Living Veteran. Awarding a Service Member or Living Veteran a Quilt of Valor Foundation is a shared responsibility of the nominator and the QOVF Volunteer. Our QOVF volunteer is Pam Martin.

What's "touched by war"?

These examples are meant to help you better understand the phrase "touched by war."

- Engaging in direct combat, no matter when or where, in declared or undeclared wars or conflicts
- Being wounded or injured in training for combat or direct support of combat
- Serving while in harm's way delivering support, supplies, etc., to those engaged in preventing conflicts or engaged in battle or combat
- Caring for the casualties, injured, and ill service members or veterans on the frontlines, in-theater, deployed, or in hospitals and medical centers overseas or stateside
- Providing casualty assistance to families of the fallen, escorting the fallen or remains, and/or participating in honor guards
- Being there to listen, to minister, and to support others struggling with the demons of being in a war zone

**- Supporting at home for those down range can be nominated. Please do not feel your contribution to any conflict is minimal. If you have served in time of war or conflict you made a sacrifice.**

And more....

Who is eligible for a QOV?

Any service member or living veteran who served in one of the following branches: Army, Marines, Navy, Air Force, and Coast Guard. Members of the activated National Guard and activated or active duty-special work (ADSW) reservists are included. The Army National Guard and Air Force National Guard are components of the Army and Air Force respectively. Merchant Marines were activated from 1941 to 1945. Additionally, anyone who serves at the Dover Mortuary Facility is eligible.

- Served during declared war, conflicts, police actions, peacekeeping missions, and counter terrorism operations and/or times of peace.
- Service during, but not necessarily limited to; WWII, Korea, Vietnam, Panama, Beirut, Granada, Bosnia, the Cold War, Desert Storm, Desert Shield, Iraq, Afghanistan, anti-terrorism operations, and terrorism attacks against Armed Forces personnel is included.
- Only veterans with an Honorable or General Discharge status are eligible.
- Note: QOVF does not award QOVs posthumously. The individual must be living.

If you want to nominate an individual, please go to <https://www.qovf.org/nominations-awards>

Before you nominate someone or yourself, please read the Frequently Asked Questions. This will help you to fill in the details. The organization that is giving QOV is Flying Needles Quilt Guild in Niceville.

When the form asks who QOV coordinator is put Barbara Ouellette from FNQG.

If you have any additional questions, please contact Pam Martin at [pcmartin1@outlook.com](mailto:pcmartin1@outlook.com) or 850-376-8283

If you know of someone who is eligible, please forward.

## PRESS RELEASE

**CONTACT:** Dave Hensley, President of People Protecting Poquito Bayou, (850) 582-3780, [mdhensley13@gmail.com](mailto:mdhensley13@gmail.com)

**SHALIMAR** – Contamination has been found in the soil where a housing development is proposed to be built, according to the Florida Department of Environmental Protection.

The land at 106 Sunset Lane in Poquito Bayou is the site of the former APAC Southeast asphalt plant. National homebuilder D.R. Horton has submitted plans to Okaloosa County to construct 139 homes on 40 acres of land. The plans for the subdivision, called Legendary Cove, are still under county review.

People Protecting Poquito Bayou, an LLC made up of concerned local citizens, requested information from the Florida Department of Environmental Protection (DEP) about the site.

“There is ongoing environmental work being conducted at the former APAC Southeast site in Shalimar, including assessment by the site owner,” reads a statement from the Florida DEP. “Discrete areas of soil contamination have been found at the site, and EPA will continue to oversee the site (along with DEP) until its CERCLA (Comprehensive Environmental Response, Compensation, and Liability Act) status has been resolved. This resolution would be either through confirmed removal of the contamination or complete site screening, after which the site would likely be referred back to the DEP for remedial oversight and closure.”

CERCLA is informally known as the Superfund program. The first stage, according to the Environmental Protection Agency’s (EPA) website ([Superfund Cleanup Process | US EPA](#)), “includes a review of historical information and visiting a site to evaluate the potential for a release of hazardous substances. The EPA determines if the site poses a threat to people and the environment and whether hazards need to be addressed immediately, or additional site information will be collected.”

Members of People Protecting Poquito Bayou have been closely monitoring the site’s proposed development since 2022. They have been instrumental in ensuring an assessment addresses the potential contamination, and that an accurate inventory of any threatened and/or endangered plant and animal species on the site are noted.
