Greetings Neighbors!

I trust everyone had a Happy Easter! The Events Team (led by Felicia Murphy) put together an awesome Easter Egg Hunt on the 30th of March.

The weather has been fabulous lately and I hope everyone has had the opportunity to get out and enjoy. We have continued to try and improve Leo Norred Park and I believe the park is the centerpiece of our neighborhood. Earlier this year, we had a wind storm come through and broke our flag pole. The team jumped to action and replaced it. About the same time, we had an electrical issue with the lights that keep our flag lit and visible at night. Again, the team jumped to action and after some troubleshooting, were able to complete the repair allowing our flag to remain visible at night.

Additionally, we have been working with the Okaloosa County Facilities and Parks Maintenance and they have been very responsive in helping us to improve Leo Norred Park. They provided us new trash cans that are heavier than what we had and hopefully will help keep the bears from making a mess.

Additionally, they have agreed to repair some of the rubber mats on the playground equipment to keep our children safe and able to use the equipment. This is only a temporary fix and they have also agreed to replace the mats that are worn although it may take some time to fit into the budget. Hooray!

While not yet successful we are trying to update the irrigation system. A new well was drilled and pump installed but we still have a water pressure problem. We are working with the contractor to resolve the problem.

Finally, on the negative side, we have had some vandalism at the park recently. We are asking all our neighbors to please keep an eye out and help us eliminate this needless destruction. We have plans to put some new equipment in and destruction of park equipment, generously donated by our community, is simply a shame.

Legendary Cove Subdivision Update – Dave Hensley

On March 25th I received an email from Allison Hankins, Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) Site Manager with the Florida Department of Environmental Protection regarding an update with the document review of the former asphalt plant. "... We submitted our Pre-CERCLA Screening Assessment report on the APAC Southeast site to EPA and we are now just waiting for their approval. Once the report has been approved by EPA, I will send it over to you. It will also be publicly available on FDEP's website, I will share the link to that with you as well so that you can share it with the community as you see fit." Ms. Hankins was unable to disclose what was in the report. We'll publish the report in a timely manner.

Several months ago, Shirley Godbold brought a cup to a County Commissioner's meeting. She told the audience and the commissioners that this cup was used daily to add water to their coffee maker. Ms. Godbold asked each county commissioner to examine the cup while she spoke. Ms. Ketchel, our county commissioner asked Mr. Michael Hackett, OCWS Director, to investigate this matter.

Several weeks ago, Okaloosa County Water personnel came to Ms. Godbold's residence and took a plethora of water samples inside their home and at the closest fire hydrant. The test results came back last week. We met with Mr. Hackett and some of his staff members to debrief us on the testing results. The four primary inorganic contaminants detected were Fluoride, Sodium, Barium and Chromium. All were below the maximum contamination level (MCL). The four secondary contaminants detected were Chloride, Sulfate, Copper and Total Dissolved Solids (TDS). All were below the maximum contamination level (MCL).

Bottom line: the water is safe. The big question is what's the film in the plastic container? We don't know. The Okaloosa County Water Department has been very cooperative and helpful throughout this process.

We're looking for concerned citizens with high-powered cameras with telephoto lens to capture the Red Cockaded Woodpecker (RCW). If you have the gear and some free time, please contact me.

April's Yards of the Month

36 Poplar Ave

30 Walnut Ave

Although early in the season these two show signs of sprucing up and getting ready for summer.

On every street, there's that one yard that stands out, the envy of the block, the pride of the community—the "Yard of the Month." But what goes into earning this prestigious title?

The Yard of the Month isn't just about aesthetics; it's a symbol of community pride and neighborly appreciation. It celebrates the dedication and care homeowners invest in their outdoor spaces, turning them into havens of beauty and tranquility for all to enjoy. It's a nod to the green thumbs, the weekend warriors, and the lovers of nature who transform ordinary yards into extraordinary landscapes.

The impact of the Yard of the Month extends far beyond the boundaries of individual properties. It uplifts the entire neighborhood, inspiring others to take pride in their own outdoor spaces and beautify their surroundings. It fosters a sense of belonging and connection, strengthening the fabric of our communities one yard at a time.

Each month, the selection of the Yard of the Month is a cause for celebration—a chance to shine a spotlight on the hard work and creativity of homeowners who go above and beyond to enhance the beauty of our neighborhood. It's a reminder that small gestures can make a big difference and that beauty flourishes when we come together as a community.

As we stroll through our neighborhood, let's take a moment to appreciate the beauty that surrounds us—the vibrant flowers, the lush lawns, and the meticulously maintained landscapes that make our community shine. And let's remember that behind every Yard of the Month lies a story of passion, dedication, and community pride—a story worth celebrating and sharing with the world.

April is the start of our Yard of the Month. We hope you enjoy each month as a yard is picked to celebrate.

See below when your street will be judged.

If there is no winner on a street, then there would only be 1 winner that month.

SYMBOLISM OF VETERAN'S MONUMENT BY JANE FEDOSKY

TRIANGLE REPRESENTS THE "TRIANGLE PARK" (ITS ORIGINAL NAME). LATER NAMED "LEO NORRED PARK" (A VETERAN, WHO GAVE THE LAND FOR A COUNTY PARK).

THE POLES REPRESENT INDIVIDUALS WHO SERVED OVER THE YEARS. EACH STANDING STRONG ON THEIR OWN (NO WIRES OR RODS HOLDING THEM UP).

THE SHAPE OF THE POLES REPRESENT LEO WITH HIS ARMS AROUND HIS FELLOW SOLDIERS. AS IN THE SONG BY BILLY JOEL (GOOD MORNING SAIGON). THE PHRASE IN THE SONG, "WE WILL ALL GO DOWN TOGETHER", SAYS IT ALL.

THE FLAG CASE IS IN THE HEART OF THE MONUMENT. THE LOCATION SYMBOLIZES WHY THESE VETERANS SERVED. THEY LOVED THEIR COUNTRY AND THE FLAG THAT REPRESENTS IT. SOME EVEN GAVE THEIR LIVES FOR THEIR COUNTRY. THE CASE LIGHTS UP AT NIGHT TO SHOW THESE SOLDIERS. THEY ARE IN OUR HEARTS & MINDS, EVEN IN DARKNESS.

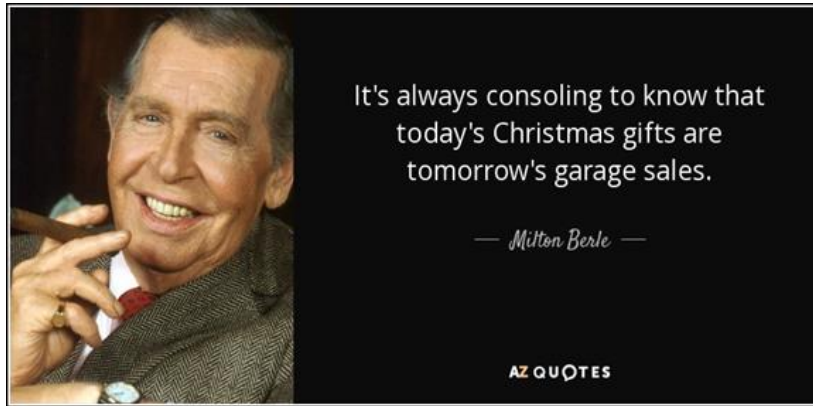

THE STONES WERE ADDED IN 2022, SYMBOLIZING THE STRENGTH OF OUR SOLDIERS WHILE GUARDING THEIR FORT. THEY ARE A FORCE TO BE RECKONED WITH.

THE FLOWERS BREATHE BEAUTY AND LIFE INTO THE MONUMENT. THEY ARE A GIFT FROM THE COMMUNITY, THANKING THE VETERANS FOR THEIR SERVICE.
