Dear Neighbors,  
as we embrace the warmer days ahead, it brings me great joy to announce the much-awaited return of our sprinkler systems! With the arrival of spring, it's time to awaken our lawns and gardens from their winter slumber. In the spirit of blossoming new life, we're excited to reintroduce the "Yard of the Month" tradition. Let's celebrate the beauty that unfolds in our front yards with an array of spring flowers and lush green landscapes. Nominate your fellow neighbors or even yourself, as we look forward to highlighting the captivating gardens that make our neighborhood even more enchanting. Wishing everyone a delightful spring filled with the fragrance of blooming flowers and the joy of cultivating a thriving community. Best regards,

Sean Cramer  
President, PBCA

### Your Voice Does Matter Especially When a Lot of Voices Speak – Dave Hensley

Last year, many concerned citizens expressed their concerns about the traffic and road conditions around the Poquito/Longwood community. Last October, Okaloosa County Commissioner Carolyn Ketchel recommended that we express our concerns to the Okaloosa/Walton Traffic Planning Organization ([https://www.ecrc.org/programs/transportation\\_planning/okaloosa-walton\\_tpo/index.php](https://www.ecrc.org/programs/transportation_planning/okaloosa-walton_tpo/index.php)). Shirley Godbold and I attended the next TPO meeting on November 15<sup>th</sup>, 2023. Shirley focused on the N. Poquito Road/Lewis Turner Blvd intersection, and I focused on the Sunset Lane/Eglin Parkway intersection. I mentioned that the turn lane onto Sunset Lane hadn't been completely paved whereas the former Poquito Military Family Housing area was. We were told: "Be patient." The biggest takeaway was accessing names, email addresses and phone numbers for two FDOT representatives. I provided the FDOT contact information to our local community via email and on Facebook.

On January 14<sup>th</sup>, 2024, the following post was made on the Poquito Bayou Community Facebook page :

Regarding Eglin Pkwy/85 & Sunset Lane road resurfacing project.  
YOU MUST ALSO CONTACT THEM IF YOU WANT ANYTHING DONE.  
Please comment once you have contacted them so we know how many supporters we have.  
Come on all you anti-speed-bumpers!!!  
I sent the following message to Matt Gaetz, & Pat Maney via their websites and directly emailed District MPO Liaison Administrator Bryant Paulk  
E: bryant.paulk@dot.state.fl.us P:850-981-2754 and District MPO Liaison – West Christy Johnson  
E: christy.johnson@dot.state.fl.us  
P: 850-981-2777

Hwy 85 is in the process of being resurfaced and our neighborhood has been forgotten.  
The hwy 85/Sunset Ln entrance to the Poquito Bayou neighborhood has unfinished road paving that is causing damage to our vehicles. This has been left unresolved for months now. We have called FDOT and local representatives with no help. What can we do?

### Three days later, the following was posted on the Poquito Bayou Community Facebook page:

A RESPONSE FROM BRYANT PAULK re Eglin/Sunset

The Department has received numerous complaints about the subject project. While the construction project is ongoing, the contractor is unable to complete the additional paving until overnight temperatures rise above 45 degrees. Other miscellaneous work will continue on the project until the temperatures rise sufficiently to allow asphalt paving. The Department is monitoring the efforts of the contractor to encourage them to complete the paving as soon as the weather allows.

Cell 850-703-7254

I don't know how many concerned individuals contacted FDOT, but I suspect FDOT received numerous phone calls. A few weeks later, the turning lane from Eglin Parkway turn lane onto Sunset Lane was paved! **Lesson learned: one or two people complain, officials don't respond; many people complain, results happen. Please keep that in mind regarding future challenges with our neighborhood.**

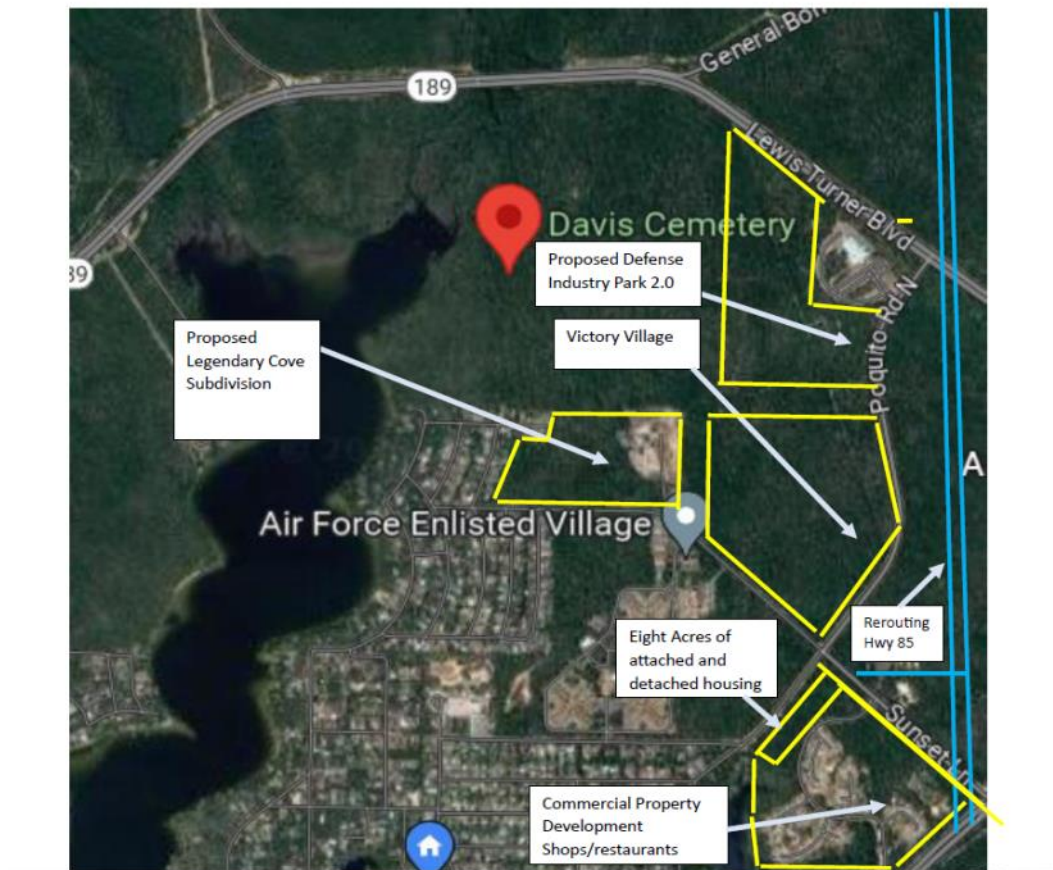

## Big Changes Coming to our Community, Follow Up – Dave Hensley, People Protecting Poquito Bayou

There's no change with the proposed Legendary Cove Subdivision. The Florida Department of Environmental Protection (FDEP) is still conducting their document review of the former asphalt plant documents. Once their review is complete, they plan to forward their comments to the Environmental Protection Agency (EPA) along with testing recommendations. Once we find out what the outcome is, we'll let you know.

In the past, we have told you about parcels of orphan land owned by Eglin being leased to the public for development. Last month we talked about the recent announcement of the proposed development of 98-acre Research and Development campus around the University of Florida Research Engineering & Education Facility. Shirley Godbold and I attended the Eglin AFB's Industry Day on February 7<sup>th</sup>.

On February 7<sup>th</sup>, Mark Franks, Mayor of Shalimar posted an image from The City of Shalimar FB webpage showing two slides titled: "Orphan Parcel Strategic Plan, Parcel 5, Poquito Bayou Parcel 91 Acres. This is the former Poquito Bayou Military Family Housing Area. This consists of a 27-acre general business park, a 24-acre high technology and business park. Please note that there is an eight-acre area with attached family homes with shared access with egress onto Poquito Road. When these are built, they will be north of 1 Poquito Road and Sunset Lane. We anticipate some sort of Industry Day for this project soon.

**This is a rough outline of all the upcoming or proposed developments in our neighborhood.**

It's very apparent that our quiet piece of paradise is going to change dramatically over the next three, five and ten plus years. We are requesting that the County Commissioners and Growth Management look long-term to ensure that the Poquito/Longwood/Bob Hope Village communities don't become another Destin or Crestview. We need concerned citizens to monitor these new developments. Our focus has been on the proposed Legendary Cove Subdivision. People Protecting Poquito Bayou won't be challenging any of these other proposed developments.

# YARD OF THE MONTH

On every street, there's that one yard that stands out, the envy of the block, the pride of the community—the "Yard of the Month." But what goes into earning this prestigious title?

The Yard of the Month isn't just about aesthetics; it's a symbol of community pride and neighborly appreciation. It celebrates the dedication and care homeowners invest in their outdoor spaces, turning them into havens of beauty and tranquility for all to enjoy. It's a nod to the green thumbs, the weekend warriors, and the lovers of nature who transform ordinary yards into extraordinary landscapes.

The impact of the Yard of the Month extends far beyond the boundaries of individual properties. It uplifts the entire neighborhood, inspiring others to take pride in their own outdoor spaces and beautify their surroundings. It fosters a sense of belonging and connection, strengthening the fabric of our communities one yard at a time.

Each month, the selection of the Yard of the Month is a cause for celebration—a chance to shine a spotlight on the hard work and creativity of homeowners who go above and beyond to enhance the beauty of our neighborhood. It's a reminder that small gestures can make a big difference and that beauty flourishes when we come together as a community.

As we stroll through our neighborhood, let's take a moment to appreciate the beauty that surrounds us—the vibrant flowers, the lush lawns, and the meticulously maintained landscapes that make our community shine. And let's remember that behind every Yard of the Month lies a story of passion, dedication, and community pride—a story worth celebrating and sharing with the world.

April is the start of our Yard of the Month. We hope you enjoy each month as a yard is picked to celebrate.

See below when your street will be judged.  
If there is no winner on a street, then there would only be 1 winner that month.  
2024

April – Poplar Ave and Walnut  
May – Maple Ave and Birch Ave  
June - Poquito Rd 1-72 and Poquito Rd 73-149  
July – -Holly Ave and Japonica Ln

Present: Sean Cramer, Whitney Cramer, Dave Hensley, Jane Fedosky-Hensley, Michael Aid, Bob Davis, Felicia Murphy, David Boyd, Pat Hollarn, Tricia Flaherty, Mary Ann Leone, Pam Martin, Nance Wendell, and Chuck Domanick. Minutes of the February meeting had been distributed; motion to approve was made by Bob and seconded by Nance, minutes were approved.

Old Business: Jane reported that the Veteran's Memorial Committee met recently with Jane and David, Michael, Ken Leone, and Chuck Domanick present. Options for expansion were discussed with two primary proposals. It was agreed that the two proposals would be reduced to one page summaries so the Board could review and vote on them at the May meeting. Mike reported that the Bylaws committee (Mike, Dave, Pat, and Felicia) is working to produce revisions that can reviewed by the Board this summer and voted on at the General Membership meeting in October. Nance reported that the Abandoned Homes Committee (Nance, Pam) will be meeting soon to analyze data. The burned home at 35 Holly has been demolished.

Treasurer's report: Report for February was presented by Tricia. Income for February was \$618.81 and expenses were \$60.72. Total funds are \$8,511.86 and available funds (not obligated) for budgeted items are \$5,587.85. Felicia recommended Paypal be discontinued due to excessive fees; the Board agreed.

Membership: Pam reported 86 paid members as of the end of February. Pam asked for guidance on distribution of the list. A motion was made by David and seconded by Mike to allow distribution to any board member for official PBCA business, but would not be publicly distributed to avoid privacy issues. The motion passed unanimously.

The Boil will be postponed until Fall. The garage sale will be 20-21 April.

Projects Update: Mike said the foundation is laid and the pumphouse would be constructed with multiple consecutive good weather days. The sprinklers will then be turned on. No news on the storage shed, due to other projects taking priority. Regarding the rubber mats for the playground, Mike said the County rep said that full replacement would cost about \$90,000 and repair would be about \$5,500. That is not in the County Budget for this year, but Mike, Felicia, and Sean plan to meet with the County Parks rep Matt Davidson to help him understand the needs of the community.

Legendary Cove Subdivision: Dave discussed the Sunset Road development proposal (Legendary Cove, DR Horton) and described the process as being in a holding pattern, still awaiting FDEP reports. There is a 30 March deadline. Bob reminded us of the PPPB Facebook site with information.
